

We do not want the Indiana Telephone Privacy Act changed to a lesser form. We have been extremely happy with the act as it now stands. It has improved our evenings and weekends so much, we no longer have to answer the phone to rude and unwanted telemarketing calls. We used to get several calls per week. We have received maybe 3-4 in the last year. Now when the phone rings we know it is someone that really wants to talk to us. Please leave our Indiana Telephone Privacy Act alone. Thank you.
